MANAGER'S REPORT

At Sunset Park we have added new sod. It has taken well. We will also be repairing the posts for the fence at the park. Some are dangerous.

Dredge update is that we are still planning to schedule summer of 2023. We are working on taking inventory of the kayaks in the storage area. Some haven't moved in years. If you have a kayak on the tree, please let us know at the office.

Anyone leaving the Community for the summer, please check in with the office so we know that you are gone.

If you are leaving for the summer, please secure any loose items outside around your home. Many people have not secured their loose items and have left. This could be a dangerous situation with hurricane season approaching. The Board will be discussing how to handle this situation.

In the storage yard if you do not have a spot there is no parking allowed, especially in someone else's space. Be respectful.

For those leaving we hope you enjoy your summer!

**Respectfully submitted by,
Tom Wisdom-Harbor Lights Mgmt.**

Reminder ... On your final walkthrough of your property, don't forget to make sure you're not leaving anything behind in the way of planters, lawn furniture, lawn ornaments that could become airborne during a wind storm this summer and early fall. While we normally don't get direct hits from hurricanes, we often get strong windstorms. These types of objects can break windows, screens, etc.. Please contact us if you think you've left something behind that should be put away until you get back.

Thank you - Management

ON TH COVER

We had a new activity this past season on Tuesday morning 10:00 a.m., Needle Crafters, name changed to Crafters. They started to do various needle crafts then moved to other crafts. Carol Burrus and some of the ladies had sewing machines to make the craft bowl on the front cover. It looked like a lot of fun, sewing with decorative stitches on the bowl. Maybe next season we will have more ladies participate.

Pictures taken by Bev Wheaton, Carol Burrus and Diane Moffatt. Thanks for the pictures.

The 3 bowls were made by Ruth Batjes, beautiful job.
