## ARCHITECTURAL REQUEST

1. The Architectural Committee and Executive Committee may at any time inspect the common land areas of the Park with regard to homes and/or building structures and other matters concerning the planned layout of the Park and where the safety to others is causing concern.
2. Please complete attached form, **attaching a drawing** to detail your plan.
3. Return completed form and drawing to Harbor Lights Office.
4. Manager will copy & notify Chairperson of Architectural/Planning Committee, and a meeting of the Executive Committee will be scheduled.
5. The Architectural Committee will visit lot and determine if proposed work will have any impact on neighbors (if so they will solicit neighbors for their comments); in keeping with H.L. standards and proposed future layouts and designs for Harbor Lights.
6. When the Architectural Committee review is complete, plans are submitted to the Executive Committee, for their approval or disapproval. The Executive Committee decision may be appealed to the full Board of Directors, their decision to be final.
7. Upon official action the application will be stamped and dated and you will be notified of the decision.
8. It is YOUR responsibility to inform your contractor that all construction materials/rubbish must be removed from your property by them. Rubbish/material CANNOT be placed in the Storage Area.
9. Please inform your subcontractor(s) to park in legal parking spaces. This is to assure property access to emergency vehicles.

**APPROVAL, INCLUDING NECESSARY PERMITS, OF APPROPRIATE GOVERNMENTAL AGENCIES, (i.e., CITY, COUNTY, STATE, ETC.) IS REQUIRED. THIS INCLUDES COLUMN B.**
