THREE ENTRIES IN THE VENICE BOAT PARADE

MANAGER'S REPORT

Reminder if you are returning to the Community, please notify the office. Also, if you park your vehicle in another shareholders driveway make sure you have permission.

Ladies pool restroom project has been started up again. As of this writing the ladies pool restroom will be completed.

The office is still compiling email consent forms. We have over 80 now. Please fill out form and send to office. The office has forms and information. This is a great form of communication for all. We will also be sending the mailings via email to those on the email consent list. This will save postage.

As of now we don't have an ice machine. The company said we don't do enough business with them. We are looking for another local company as it is a nice amenity. Another suggestion was to obtain a small ice machine. We are gathering ideas still.

We will be trimming trees, taking out dead trees, staking up leaning trees, and removing stumps from the hurricane this month. We are also looking at planting trees in certain areas including the park.

As a courtesy to all when walking your dog please pick up after them. We have had a number of complaints about pet waste being left in yards etc.

RECREATION NEWS

Our 2023 Season of activities is now in full swing! All of our sports, recreational activities, as well as luncheons, cook-lucks, and TGIF's have been planned for your enjoyment. Check the clubhouse and mailbox hallway often for dates, times, and informational posts and come and join us. ALL are WELCOME!

Consider joining your Recreation group. The membership application is located in the clubhouse and it is easy to join. Pick up one today and submit to box #146. We would like to welcome Jane and Gary

Gunterman (#109) that recently submitted their paperwork. Pleased to have you and hope you will take an active part in our organization!!

Notes:

1. Our cork collection box is ½ way full! **THANK YOU** and please continue to donate especially after our holiday celebrations!

2. Reminder: Please place the pickleball nets in their storage bag after each use. This practice helps maintain the quality of our nets as the salt and sun quickly deteriorates them. Your cooperation is appreciated.

Great to see them in use!

3. Our next meeting will be **JANUARY19th**. Coffee and donuts will be provided and we look forward to seeing you there!

Your Recreation board

PS. Our Ladies Luncheon will continue this season. The programs will be:
January 10, 2023 – Southeast Guide Dogs
February 14, 2023 - High Tea
March 14, 2023 - Salads and Crafts

Past Events

Our Thanksgiving Dinner was a hit. Lots of food and good company. About 60 attended.

We had our Christmas Flea Market on December 10 and tree trimming the same day, we had a lot of help with both events. The tree looks great and the flea market was a success. Now we save for next year.

We want to thank the Beautification Committee for all the work they did decorating the area around the clubhouse and sunset park. It looks very festive.

FRONT COVER

The cover featured 3 boats from the Venice Boat Parade, December 3, 2022, The parade had 45 boats displaying the Christmas cheer. It was a beautiful evening at Sunset Park, many observed the parade.

Southeastern GUIDE DOGS To Join the January Ladies Luncheon

Trish Gorry, a representative from Southeastern GUIDE DOGS, will be a guest speaker at the Ladies Luncheon on Tuesday, January 10 at 1 pm. She will be joined by other representatives as well as bring dogs that are currently in the training program.

Southeastern GUIDE DOGS is a nonprofit organization based in Palmetto since 1982 which transforms lives by creating and nurturing extraordinary partnerships between people and dogs. They provide their premier dogs and lifetime benefits at no cost, without any government funding to people with vision loss, veterans with disabilities and children with significant challenges.

The latest holiday commercial featuring a veteran amputee who is assisted by Hope, the guide dog, to place the star on top of his tree is an example of the very special work this organization does.

Please mark your calendars on January 10 to join us in this very special event. Don't forget to sign up in the clubhouse as well. Cost for the lunch is \$5.

Trish will also be holding a 50/50 raffle with the proceeds going to the winner and to Southeastern.

THANK YOU

Just wanted to thank everyone for all your hard work for making your Christmas sale a great success. Your Christmas tree came out beautiful and all the wreaths were put in place Harbor Lights rec broad cannot succeed without volunteers. Please volunteer and join in all the fun we all have working with the rec broad. Meet your neighbors and make new friendships.

Thank you, Donna Leary
