American flag – Donna Leary

RECREATION NEWS

A **Recreation meeting** was held on **Wednesday, January 8, 2025** at 9:00am in the clubhouse. Donuts were provided before the meeting. Minutes are published in the Beacon for additional details.

Updated information and important details for our **February 1st Flea Market** were presented in the second half of the meeting. Thank you to all chairs, volunteers, and helpers in all of our departments. “Many hands make light work” applies to our annual event. It continues to be an event that is profitable for the Recreation Association as well as a team building experience for our Harbor Lights community. Check your calendar for our **Appreciation Dinner** that will be held in mid February. Once again, we appreciate everyone’s efforts in making this a successful activity.

Ladies Luncheon was held on Tuesday, January 14th. Thanks to Joan D. and her crew for the colorful table decorations, delicious food, and arranging Elin as our speaker that afternoon. Elin leads water yoga at 10:00 am at our pool every Friday. The cost is \$5.00 per session. See you there . . .

Our **Annual Recreation meeting** will be held on February 19th. Our Recreation Board has a few vacancies for the new year. Consider being a **board member or volunteer** to help us continue to offer and/or expand our recreational activities. It will be time well spent for the benefit of all.

Note: **New Owners-** Please consider joining the Recreation Association. Everyone is able to be a member by simply filling in an application found in the clubhouse. There is no charge for membership. By doing so, you can attend our meetings, suggest new ideas, and join in the **fun** by volunteering for our many activities.
